

GERBER ANALYTICS, LLC -- LIST OF TOP ACADEMIC OHIO HIGH SCHOOLS FOR 2009

CLICK FOR FULL REPORT

Understanding this list:

Please note that this spreadsheet is not the full report. It is only the list of the top schools. To understand the methodology used to create the list, please refer to the **full report** by clicking on the link to the right. Please note that only those schools which have a "five test passing rate" of 91% or better were included among the Gerber Analytics' Top Academic Ohio High Schools.

The shaded boxes indicate those schools which achieved the highest levels of performance in each subject area. The top ten schools in each category are shaded. The top schools not only had more "shaded boxes" but they also had high performance in at least three subject areas. Those schools which had the highest percentage of students in the "Advanced" column are double underlined. This list is sorted by the Performance Index Score (Adj).
